

WESHAM COMMUNITY PRIDE TRUST

Dear Medlar with Wesham Resident,

Welcome to the first WCPT newsletter.

The aim of this letter is to let you know:-

- ⇒ who we are
- ⇒ what our aims and objectives are

Who are We ?

We are a small group of volunteers who formed the Wesham Community Pride Trust on 11th February 2004 to attempt to make Medlar with Wesham a place to be proud of. Naturally we cannot do this without the support of likeminded people and the funding via Medlar with Wesham Town Council from Fylde Borough Council and sponsorship from interested supportive businesses and individuals.

We are still developing our group and looking for ways to fulfil our objectives and would welcome ideas and help.

Our Objectives...

- To foster, promote and develop pride in the appearance of Wesham
- To plan, develop and execute environmental improvement schemes in the Town
- To enter, AND WIN, the North West in Bloom Competition
- To seek sponsorship to assist with ongoing improvements and appearance in the Town
- To award prizes to the 'Best Gardens' in Wesham

How you can help.....

For us to be able to achieve our objectives we need more likeminded people to support us. This can be done in many ways , for example:-

- Sponsoring or adopting a feature, e.g a flower tub or basket or
- Giving an odd hour now and again to litter pick, weed etc..... or
- Joining the group and being part of the process,
 - if you wish, come along to our next meeting to share your ideas or
 - become an informal supporting member

If you would like to know more or feel you could help in any way please ring Alan 683712 or Richard 683929
