

PERMANENT LANDSCAPING

The Derby House Sheltered Housing accommodation at Derby Road features a permanent rockery, which has been further enhanced on the opposite side of the road by the provision of the 'Doorstep Green' park providing a pleasing area for both young and old.

Permanent Planting at Derby House

Wesham plays host to both the Fire and Ambulance Stations, both of which have permanent landscaping to enhance their appearance.

LOCAL AGENDA 21 Recycling

Recycling has been very well received by the residents of Wesham and the provision of the Green and Grey wheely bin scheme has been very well used. This has been further enhanced by the provision of the 'blue bag' paper recycling collection together with the 'Green Box' for bottles and tin cans. In addition, Fylde Borough Council have a recycling site conveniently situated at the Community centre for other recyclable items. This is proving to be well used by residents

LOCAL AGENDA 21 *Recycling*

On 'Green' collecting days very many residents can be seen to place the range of recycling containers outside their home for collection

and Plastics

Local Environmental Quality

Wesham Town Council employs the services of a street cleaner to maintain the cleanliness of the local area. Co-operation with Fylde Borough Council caters for the removal of difficult to deal with graffiti that cannot be dealt with locally.

pavement fouling and close contact with the 'Dog Warden' helps to maintain this situation.

The provision of 'Dog Waste Bins' has significantly reduced the amount of

Local Environmental Quality

The 'Doorstep Green' Park has played a significant part in the improvement of dog fouling control by the introduction of a controlled area dedicated for the exercising of dogs. Suitable dog bins are also supplied to help owners to deal with any waste.

STREET FURNITURE

At various locations throughout the Town seats are provided and are mostly enhanced by floral arrangements.

Seating at Meadow Park

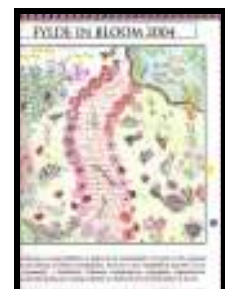

Public Awareness

'Fylde in Bloom' is now a well established concept throughout the Fylde. Local input being through residents via groups such as our own 'Wesham Community Pride Trust'.

Through the FBC 'Fylde in Focus' publication, a wider audience is reached to further publicise 'North West in Bloom'.

Additional advertising and encouragement for more residential participation is via the annual poster competition conducted in the local primary schools. Not only does it encourage our young people to design a poster, it allows residents to enjoy the completed work throughout participating shop windows in the Town.
